GRE PROGRAM 2018

IBA
Institute of Business Administration Karachi
Leadership and Ideas for Tomorrow

About Us

The Bridge is the labour of love of students who want to impart

the very education they have received to a wide range of people, thus bridging the gaps prevalent in modern educational landscape.

In Pakistan, youth accounts for 60 percent of the population. Given the current educational crisis, many youngsters face difficulty in pursuing higher education. The idea behind this platform is to make education accessible, and to help increase the ratio of people entering universities.

At The Bridge, we offer SAT and GRE test preparation programs within the institutes to help candidates secure admissions in prestigious universities.

Why GRE?

GRE General Test is for prospective graduate and business school applicants worldwide who are interested in pursuing higher education. Applicants come from varying educational and cultural backgrounds and the test provides colleges with a common measure for comparing candidates' qualifications. It comprises of Verbal and Quantitative Reasoning; in total, there are six sections followed by analytical and argumentative writing. Test is about 3 hours and 45 minutes long with 10-minutes gap in between.

GRE Test Preparation at IBA

The Bridge, through its GRE Program at IBA, is willing to lend a helping hand to those applying to foreign universities for graduate studies. Since the GRE exam is designed to evaluate the written, verbal and mathematical skills of the candidates, it is a useful measure of how well-prepared they are for college, and thus a mandatory application requirement by Ivy Leagues.

During the program, students will:

- be made familiar with the GRE pattern
- develop key skills and concepts
- learn tips and tricks
- manage time
- be prepared to achieve a high score

Class Schedule

It is an extensive 7-week program with a 2-hours English and a 2-hours Math class twice every week. This would make a total of 4-hours preparation for each subject every week.

Timings: 6 pm to 8 pm
Venue: IBA, Karachi
Schedule: Verbal Reasoning – Monday and Wednesday
Quantitative Reasoning – Tuesday and Thursday
The classes shall commence from 30th July, 2018 and end by 22nd September, 2018.

Assessments and Weekly Reports

Every student will be required to appear in the diagnostic test before and after the program to gauge their performance. **The first diagnostic test is scheduled on 28th July, 2018 at IBA, Karachi from 10 am to 2 pm**. Weekly quizzes shall be held on campus in order to know if the students have learnt what they studied in the class. These quizzes shall be conducted on every Saturday.

Every candidate's weekly report shall be maintained along with their class performance and diagnostic test results which would help the individual to know their weaknesses.

In order to make it more interesting for the students, The Bridge would like to sponsor top two students for their GRE Test if they meet the following criteria:

Class Attendance cut-off: 160 points

GRE Diagnostic Test cut-off: 320 points

5 points shall be awarded to a student for attending every class and quiz

Investment

The total investment for the GRE program is PKR 30,000.

This covers:

- Tuition fee
- Course material
- Video lectures
- Weekly reports and diagnostics
- Online resources (as per requirement)
