Key Features of the training program:

- Learn some effective and practical **career counseling & mentoring skills**
- Get familiar with few **assessment tools and techniques**
- Develop few integral **interpersonal & transferrable skills**
- Understand the national and international perspectives on **Career Advising System**
- Know the **latest model/systems for career advising system**

This training program will be **engaging, experiential** and ensures that participants achieve learning outcomes in an optimal manner!

Trainer's Profile

Danish Imtiaz Gangani

Manager, IBA-Career Development Centre (CDC)
Institute of Business Administration, Karachi (IBA)

Danish is naturally an ambitious, enthusiastic, generous and a determined person. He also possesses an exceptional influential nature with strong networking skills. Danish is leading IBA's Career Development Centre (CDC) as Manager for the last 3 years. He has over 8 years of professional experience while working with few of the most prominent educational institutions in Pakistan.

He remained the Master Trainer for the National Team of career advisors and counsellors at the Aga Khan Education Service, Pakistan and facilitated Train the Trainer (ToT) program throughout Pakistan including Sindh, Punjab, and the Northern Part of Pakistan.

Danish has counselled thousands of individuals and assisted them in their personal, career and professional development as a Counsellor, Professional Coach and a Career Facilitator. He has conducted various trainings on career development and life skills & also facilitated several educational and skill based programs. Training and dealing in people is both his passion and rigor. He loves developing people through human endeavor as he believes "people can do miracles" if they have strong 'will'.

"The Hartford's Millennial Leadership Survey found that the number one thing employers can do to demonstrate their investment in a young person becoming a leader is to train and develop them, including coaching and mentoring. If organizations evolve to meet millennials' needs, the benefits will be enjoyed by others, including generations to follow."
