

Offers New Groups of SAT

Our classroom based SAT preparation is a Two-and-a-half month course, with a total of 80 hours of classroom based lectures. We offer four to five weekly classes and administer 6 full-length SAT tests towards the end of the course. Extra emphasis is paid to improving students' abilities in Reading abilities, Grammar and Essay Writing.

Highlights of Training:

Foreign Qualified experienced teachers. Comprehensive study material
Students are timed during practice Whether it is Verbal or Quantitative, we make
you practice with the real Sat past papers
